7

Well, who do you think sees the letters?

Between (the letters) I make the rounds, but all you see is the

window. It's the only one that matters in your plan. Or, which

window? Which window are you making the rounds once in a while?

Which one of those is best for your own account?

When do you see the letters? When do you see the letters?

When do you see the letters? When do you see the letters?

When do you see the letters? When do you see the letters?

When do you see the letters? When do you see the letters?

When do you see the letters? When do you see the letters?

When do you see the letters? When do you see the letters?

When do you see the letters? When do you see the letters?

When do you see the letters? When do you see the letters?

When do you see the letters? When do you see the letters?

When do you see the letters? When do you see the letters?

When do you see the letters? When do you see the letters?

When do you see the letters? When do you see the letters?

When do you see the letters? When do you see the letters?

When do you see the letters? When do you see the letters?

When do you see the letters? When do you see the letters?

When do you see the letters? When do you see the letters?

When do you see the letters? When do you see the letters?

When do you see the letters? When do you see the letters?

When do you see the letters? When do you see the letters?

When do you see the letters? When do you see the letters?

When do you see the letters? When do you see the letters?

When do you see the letters? When do you see the letters?

When do you see the letters? When do you see the letters?

When do you see the letters? When do you see the letters?

When do you see the letters? When do you see the letters?

When do you see the letters? When do you see the letters?

When do you see the letters? When do you see the letters?

When do you see the letters? When do you see the letters?

When do you see the letters? When do you see the letters?

When do you see the letters? When do you see the letters?

When do you see the letters? When do you see the letters?

When do you see the letters? When do you see the letters?

When do you see the letters? When do you see the letters?

When do you see the letters? When do you see the letters?

When do you see the letters? When do you see the letters?

When do you see the letters? When do you see the letters?

When do you see the letters? When do you see the letters?

When do you see the letters? When do you see the letters?
